SOVEREIGN CITY

FOUNDER JUNIOR · Ages 8-12 · 30-45 minutes · v2

You have $3,000 and a big idea. Pitch neighbors, earn customers, be FIRST to 12!

Same cards, same dice, simpler rules. Graduate to Standard Mode anytime.

EVERY ROUND · 4 STEPS

1 CHAOS CARD (Round 3+): draw 1, read it aloud, use the Junior shortcut below. 2 YOUR 2 ACTIONS: pitch, build, or hire. 3 COLLECT MONEY: count your customers, multiply by $5, take that cash from the bank. 4 PAY RENT: Base Ops $20, plus $30 if you own your HQ, plus $20 per Employee. Can't pay? Lose 3 customers and keep playing.

HOW MUCH DO I EARN?

Customers x $5. Examples: 3 customers = $15 · 6 customers = $30 · 9 customers = $45 · 12 customers = $60. Chaos shortcuts: RECESSION collect half (round up to $5) · MARKET BOOM collect double · CITY FESTIVAL collect triple, best round of the year. All other Chaos cards: do what the card says.

HOW TO PITCH A CUSTOMER

1 Draw a Pitch Card and read the customer's name aloud. 2 Pick ONE approach: Problem, Price, or Persona. 3 Roll 2 dice. Meet or beat the number = 1 Customer Token! 4 Miss but roll doubles? You get them ANYWAY. The Mercy Rule. Always. (Junior ignores Tier modifiers: every founder uses the printed targets.)

HOW TO WIN

First founder to reach 12 Customer Tokens wins. One condition. Clean race. Winner writes their name and business in the Hall of Fame.

FOUNDER JUNIOR · YOUR 2 ACTIONS · JUNIOR vs STANDARD

PITCH A CUSTOMER (free, do it every turn if you want)

Draw a Pitch Card, pick an approach, roll the dice, hit the target = 1 customer. This is the engine of the race.

BUY YOUR HQ · $1,500 once, then $30 rent per round

From now on, whenever you Pitch, draw 2 Pitch Cards and choose 1. Better customers, better odds. Also unlocks hiring.

HIRE AN EMPLOYEE · $120 to hire, $20 per round · needs HQ · max 2

Each Employee gives you 1 extra Pitch action every round. Two employees = four pitches a turn. Payroll is real: $20 each, every round.

BUY A MURAL · $300 · once per player · at the Sovereign District

The neighborhood loves you: take 1 Customer Token right now. Then collect an extra $2 per customer every round, forever.

BUSK · Music & Sound founders only

Roll 1d6 and collect that number x $10. On a 5 or 6, also gain 1 customer. Street music pays.

JUNIOR vs STANDARD

Rule	JUNIOR (8-12)	STANDARD (13+)
Starting cash	$3,000	$5,000
Revenue	Customers x $5	Payout Strip columns
Chaos shifts	Double / Half / Triple	Column shifts (REC / NOR / BOOM / FES)
Win	First to 12 customers	Sovereignty: 3 profitable Mentor rounds
Employees	+1 Pitch action · $20/round · max 2	+1 strip row · $60/round · max 3
Investors	Not used	5 Investor cards with equity deals
Customer cap	Race ends at 12	Manual 12 · Automated 15
Can't pay	Lose 3 customers, keep playing	Comeback Loan $1,500, re-enter

READY FOR MORE?

When a Junior founder wins the race, hand them the Standard rulebook. Same game, same cards, new depth: payout columns, automation, investors, and the Sovereignty Run. They already know how to pitch. The rest clicks fast.
